# Viewing a Student Target Grade

To view a student's target grade for an individual learner, go to the learner's ILP page. To do this, go to the ProMonitor homepage. Hover your mouse pointer over 'Search' and select Students. Enter the surname/Ref of the student, then click search. Locate the Student from the list and click their name to open their ILP.

On the learner's ILP page, select "Target Grade" from the Learner ILP option.

This will take you to the Target Grade page where you can view the target grades for your student.

Course Targets

Course	National Target Grade	My Target Points	Audit Trail
BCM030A (It (Games Development) - Level 3 Btec Diploma (90 Credit))	MP	660	⊘
